

To Whom It May Concern: I am writing this note to you to let you know how much my family and I appreciate the KLOVE radio station available to us at 91.1 FM. It is so wonderful to be able to turn on the radio and hear their broadcast 24/7. Please continue to allow them to broadcast in my community! I would be so disappointed if Klove were to be replaced by an LPFM2 broadcaster providing other programming. This broadcast is in the public interest because of their Christ-centered focus. No matter what religion people are, if one lives the life that Jesus Christ encouraged his followers to live, they would be all around healthier people. That is what our Northern Colorado community needs is more healthier people!! Thanks for taking the time to review my request, it is sincerely appreciated!!

Chris
